GLAMOUR
The most beautiful look is the one that makes you feel like a queen. It's not about the clothes you wear, it's about the confidence you have in them. It's about the way you carry yourself, the way you smile, the way you walk. It's about the way you make the world a better place just by being in it.

AMAZING
The beauty of a woman is not in her face, but in her smile. It's not in her eyes, but in the way they sparkle. It's not in her hair, but in the way it flows. It's not in her clothes, but in the way she carries them. It's about the way she makes the world a better place just by being in it.
