# Prakrit World

The Prakrit Saree has its birth in both South and North India. The word 'sari' was taken from the Prakrit word 'sarika' as written in the most primitive Sanskrit and Bahliki texts. The first known portrayal of the saree in Indian is the figure of an Indian valley priest wearing a shawl.

*Ocasión*

Printed silk sarees are a popular garment in India. Governed by the rich and pure silk, Printed silk sarees that have been well-thought and fully aware on the pattern and quality of material are favoured by working women because they are light in weight and easy to wear. These are daily use garments that are worn by women at home and in the office. Most commonly printed sarees feature a variety of designs and motifs that are usually seen on the saree.
