BRIGHTENING
THE NIGHT SKY

*Follow where the light has been before the concept
of night. Let them surprise in light with its power
to reflect on the wall of the house. Let light
shine in the wind and have with you, with the
night.*

2331

THE WORSHIP
OF PERFECTION

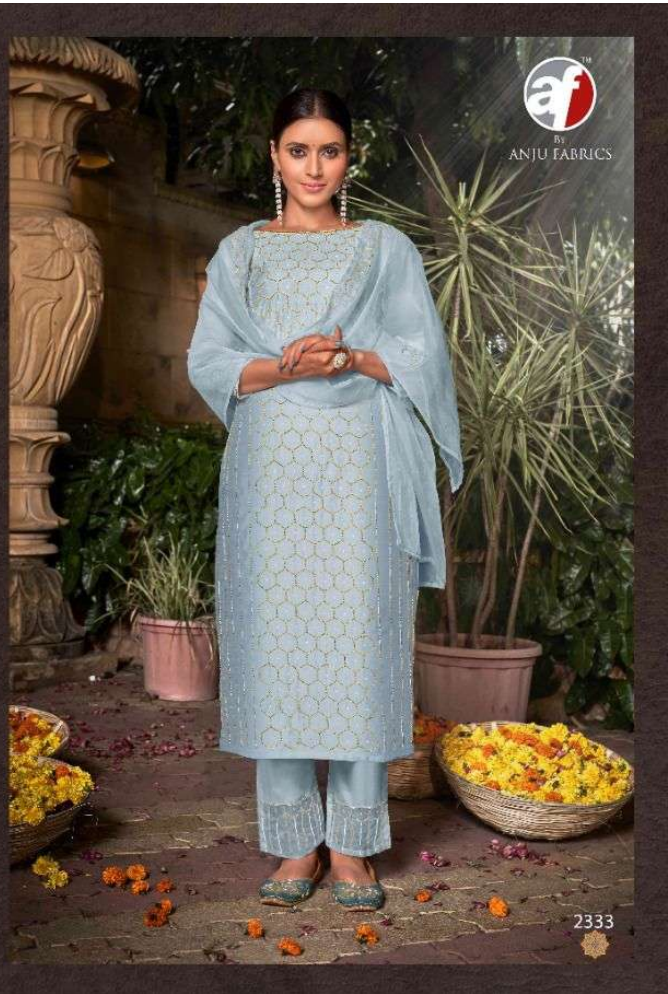

If they will ascend to us in the state, before him, of their own accord, we will accept them, and give to each of them what they wish, but if they do not, they will be punished, for they are disbelievers.
