ONCE UPON A TIME

She stands in a land known for its culture, its heritage, its beauty and its untold riches. And yet, with her beauty, her charm and the grandeur of her attire, she outshines the magnificence of the land around her. Glad in majestic blue, she is freshness in the stark desert landscape...an image to cherish.

ONCE UPON A TIME

She stands in a land known for its culture, its heritage, its beauty and its untold riches. And yet, with her beauty, her charm and the grandeur of her attire, she outshines the magnificence of the land around her. Glad in majestic blue, she is freshness in the stark desert landscape...an image to cherish.

The main photograph shows a woman with long, wavy hair, wearing a grey kurta with a small white floral print and a matching palazzo pants set. She is leaning against a black metal railing, with one hand resting on her head and the other on the railing. She is wearing silver hoop earrings and a tattoo on her left wrist. The background is a lush green garden under a clear blue sky. To the right, a large black wheel of a traditional chariot or carriage is visible. The bottom left inset photo shows the same woman from a different angle, smiling and holding up the grey dupatta (scarf) which has a larger, more prominent white floral print. She is also wearing a matching grey dupatta over her shoulders. The background here is a plain, light-colored wall.
