# MODERNIST

High and low isn't such a novelty thing. It's how young people interpret the life we've been given. It's how we look at luxury brands. It's how we look at heritage brands.

Fashion is an attitude

03

I think our bodies are beautiful  
and I think celebrating them  
and being comfortable  
in our own skin is the only  
way to be successful.  
There shouldn't be any kind  
of shame or discomfort around

# NEW ARRIVAL

*Ladies Flavour*<sup>®</sup>  
Fashion is not on body

"Fashion you can buy,  
but style you possess. The key  
to style is to know who you  
are, which takes years.  
There's no how-to read map  
to style. It's about self-  
expression and,  
above all, attitude."
