

Nishtha

Many years pass until he remembers you, in your soft eyelid out of swirl and happiness. And these reflections make him to stop, to ponder to reflect and ultimately to rejoice. You are so unique, it is perfection, it opens the floodgates of memories waiting to embrace him in absolute glow. And at the same time he despairs, because he desires to see you in another and better life.

In the sea of the mundane, you stand alone, a paragon of life in an otherwise everyday world. A vision of you, clad in our marvellous creations tells the story of an island surrounded by the vast and jealous oceans, ever trying to chip at your beauty.. but failing everytime. You stand unimpeded, untouched and unblemished.
